Each week volunteers engage with participants in games, crafts, exercise and gospel singing. Volunteers and participants become almost like family as they share experiences in a homelike setting. Respite care also gives a welcome respite to the caregivers for participants who often have dementia. For more information on volunteering call Kathryn Fussell, 706.256.3117.

Dear St. Luke Family,

Sometimes words fail to adequately express what is being felt in one's heart. That is certainly true for us when we think of you all. We are beyond grateful for your love, encouragement, prayers, and generous gifts you gave us to help start this new journey of ministry in Dublin.

We are settling into our new home, community, and church well. We are blessed to be here and are thankful to God for this opportunity at this wonderful church.

We want you to know how much we love you and are grateful for the years that you poured into our family. We will never forget your love for us; how you believed in us and helped us become the people we are. You will always be our family.

Words do fail to effectively capture what St. Luke means to us. We think the words of Paul to the church in Philippi do well, however.

<sup>2</sup> Grace and peace to you from God our Father and the Lord Jesus Christ.  
<sup>3</sup> I thank my God every time I remember you. <sup>4</sup> In all my prayers for all of you, I always pray with joy <sup>5</sup> because of your partnership in the gospel from the first day until now, <sup>6</sup> being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus. (Philippians 1:2-3) May it be so...

With much love,  
Brett, Jessica, Eli, and Jack
