**Thad’s Thoughts**

The old familiar song says, “It’s the most wonderful time of the year.” In so many ways, the song is true. Christmas IS the most wonderful time of the year. It is a time for seeing family and friends whom we love. It is a time for delicious food and sweet treats. It is a festive time of beautiful decorations and lots of lights. It is a time when children’s faces light up, and the twinkle in their eyes is priceless. It is a time of beautiful music and moving worship experiences. In many ways, it is indeed the most wonderful time of the year!

However, it can also be the most painful time of the year. Many people experience sadness and anxiety during this season over the loss of loved ones. Others go through pain because they can’t afford to buy gifts for their children or their friends. Some experience pain because their Christmas is nothing like the perfect picture that is portrayed in movies and artwork. Because Christmas is “supposed to be” the most wonderful time of the year, for some it is the most painful time of the year.

No matter where you might find yourself on that spectrum of joy and pain, let me point us to another song. In the context of worship, we sing, “News! News! Jesus Christ was born for this! He hath opened heaven’s door and we are blest for evermore. Christ was born for this, Christ was born to save!” Jesus was born to save us from the brokenness of this world and deliver us from darkness. Let the light of Christ illuminate your Christmas this year and forevermore.

Signed,

Thad
